Learning Letter 7– 10th March 2020

Children had a really enjoyable time during World Book Day last Thursday—it was wonderful to see the children so excited about books and developing a love of reading.

Our next Parents Forum is on Friday 27th March 9.00-9.45, where Miss Beech will be sharing a presentation on English teaching and learning across the school. Tea and coffee will be available and this aims to be a relaxed information session to support parents and carers with their understanding of how we teach English in school and how you can support this at home.

Amanda Flanagan
Headteacher

Infection Control in School

We would like to reassure parents that we are responding fully to all guidance we receive from Public Health England in response to the recent Covid-19 virus.

We receive very regular updates from Public Health England and follow all advice given. Current advice continues to be that no school should close unless they are told to do so by Public Health.

We continue to promote good hand hygiene in school and have increased reminders and information about this with both staff and children.

There is a large amount of information on the internet and in the news which is being updated all the time. The following links will direct you to the most accurate and up to date information:

3. 4. 20 Term Ends

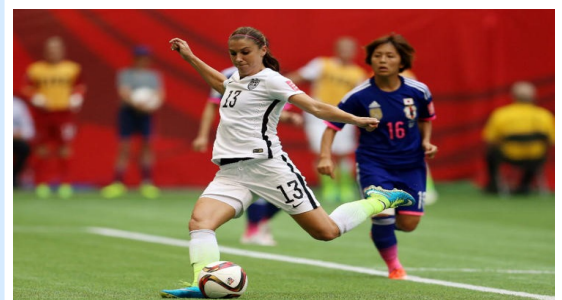

Term 5

20. 4. 20 Term Starts

Help please!

Our Tuesday night football club continues to grow in size and Mr Wiltshire would really appreciate any help from any parents or grandparents . Mr Wiltshire will continue to lead and run the club, but could really do with some help in doing this.

If you are able to help please can you let Mrs Aldom know.

Staffing Update.

Miss Rees, one of our TAs currently working in our Year 4 and YR classes will be leaving us at the end of this term. We will be really sorry to see her leave and thank her for the huge difference she has made to the children she has worked with during her time with us. We are currently advertising to fill this vacancy and will let you know when an appointment had been made.

Safety First

To ensure the safety of all of our children please can we remind you not to drop children off or turn cars around in the entrance of the driveway to school. This is incredibly dangerous for our children and some drivers continue to do this - please park safely and walk children into school. The school entrance is not a turning point for cars.

Lunch Break Supervisor Vacancy

We are currently looking for a lunch break supervisor to work 12.05—1.25 each day (this does not have to be daily—we welcome applications for 1/2/3 days). This is an incredibly rewarding position, helping to ensure all our children have a happy lunchtime.

Please see Mrs Aldom in the office if you are interested in this post.

Web-site Update

Our web-site home page has been updated and now has a wonderful video clip of children enjoying their time at school—please do take a look at it!
